Presentation:
Stanislaus County Office of Education Assistant Superintendent of Business Services, Mr. Don Gatti, came before the Board to further discuss the District’s financial picture and possible scenarios for the future. He also explained the assistance available through the County Office of Education.

Mr. Gatti distributed two documents to provide information and support to his remarks and answered numerous questions from Board Members. He advised the Board to focus on the continuing District trend of declining enrollment for the next few years when building the budget. He also recommended including a fiscal advisor/expert into budget review and planning.

Stanislaus County Office of Education Division Director of Human Resources, Ms. Barbara Tanner, presented the Board with an outline of services that SCOE staff could provide the District in the search for a new superintendent. She included a sample/draft timeline of the process and answered Board questions regarding costs and resources.
