Public Hearing:

Initial Bargaining Proposal Between California School Employees Association and Riverbank Unified School District
Dr. Camp presented the proposal: Due to declining enrollment and reduced funding from the state, RUSD must reduce expenditures for the 2012-2013 school year and further reduce expenditures for the subsequent school years. RUSD is currently in qualified budget status at the county and state level. The fiscal expert appointed by the Stanislaus County Office of Education pursuant to the Education Code has indicated that expenditures must be made. The District has an interest in reducing expenditures and preserving the operational flexibility necessary for efficiency in delivery of services to students
